1998 - 2001 Spray Painting and Machine Finishing  
Nairn Harvesters Ltd

1993 - 2008 Yard and Drive thru Co-Ordinator  
Placemakers Cranford Street

**Experience:** Jared has had vast experience in the manufacturing and assembly of a wide variety of viticulture machinery.

His practical experience to date has enabled his self-taught skill set to be applied to designing working drawings and visualising bespoke engineered machinery using Autodesk Inventor for fabrication purposes.

This unique in-house technological ability has been valuable in selling design concepts to our commercial clients.
